

HEALTH & EDUCATION

EXERCISE & SPORT SCIENCE

Delivery: Majority of courses are offered daytime on campus, some online courses are offered

Start: Fall or Spring Semester, Full- or Part-Time

AWARDS

- Exercise Science Transfer Pathway A.S. Degree 60 cr.
- Exercise & Sport Science A.A.S. Degree 60 cr.
- Personal Training Certificate 16 cr.

MAJOR DESCRIPTION

Exercise & Sport Science A.S./A.A.S Degree: This program offers two different 60-credit degree awards: Associate in Science and Associate in Applied Science. Both programs include technical courses in Exercise and Sport Science and general education courses. The A.S. degree is intended to prepare students to transfer to a four-year college or university. The A.A.S. degree prepares students to go directly into the workforce.

Both programs are designed to prepare students to gain knowledge and skills to work in the health, fitness and sport industries. Technical information will be combined with liberal arts and sciences to prepare students to work effectively with a variety of clients in health and fitness settings.

Personal Training Certificate: This program provides the student with hands-on, practical experience in the area of personal training. The certificate consists of 16 credits of coursework. All of the courses are offered during fall semester. EXER2020 Personal Training and Exercise Leadership I is offered in partnership with the American Council on Exercise (ACE). Students will be prepared for the ACE Personal Training certification exam following successful completion of the course. Students will be expected to become nationally certified as a Personal Trainer. DCTC provides discounts to national certification exams but does not include the cost in tuition.

WORK ENVIRONMENT

Exercise and Sport Science graduates become valuable employees in fitness centers, YMCA/YWCA facilities, corporate fitness centers, collegiate and hospital-based wellness centers, cruise lines and cardiac rehab centers.

POTENTIAL JOB TITLES

- Coach
- Fitness Specialist
- Personal Trainer
- Group Fitness Instructor

SALARY DATA

- Average Wage: \$23.70/hour
- Top Earners: \$38.62/hour

EXERCISE SCIENCE TRANSFER PATHWAY

A.S. DEGREE

This is a suggested sample course sequence.

Please contact your program advisor regarding your academic plans.

The Exercise Science Transfer Pathway A.S. offers students a powerful option: the opportunity to complete an Associate of Science degree whose course credits will directly transfer to designated bachelor's degree programs at Minnesota State universities. The entire curriculum has been carefully designed to guarantee junior-year status to students who have been admitted to a Minnesota State university. There, students can complete their bachelor's degree by earning 60 additional credits. Students may also transfer to additional 4-year colleges. Work with an advisor for transfer planning.

TRANSFER PATHWAYS

With this transfer pathway, you will be able to transfer to the following designated baccalaureate degree majors:

Minnesota State University, Mankato

Exercise Science - BS

Minnesota State University, Moorhead

Exercise Science - BS

Southwest Minnesota State University

Exercise Science - BS

Winona State University

Exercise and Rehabilitative Science - BS

First Year - Fall Semester 15 cr

EXER1000	Introduction to Human Performance Studies.	3
EXER1020	Strength Training.	2
