DCTC to host National Letter of Intent Signing Day event Feb. 21

Dakota County Technical College will host a National Letter of Intent Signing Day from 10 a.m. to 1 p.m. Thursday, Feb. 21. New students for the 2019-2020 school year will take part in the signing ceremony, similar to an athletic signing.

DCTC's Signing Day will take place along with more than 60 technical institutions across the country including Minnesota State sister institution South Central College in North Mankato. Sponsored by the National Coalition of Certification Centers, the event mirrors the NCAA's National Signing Day for athletes who commit to play sports in college.

The event honors students who have chosen to enter a technical field and celebrate the dignity of work. Additionally, the event emphasizes the college's commitment to creating a skilled workforce which supports Dakota County and the southeast metro's economic development needs.

As such we have invited community partners to join us to participate to show their support of technical education. Students and family members will have the opportunity to interact with potential future employers and learn more about high-demand jobs in industries including transportation, health care and manufacturing.

The event is open to the public and will be live streamed.

About Dakota County Technical College

Dakota County Technical College (DCTC) provides highly skilled and technical training for today's most in-demand jobs. The DCTC community includes more than 2,200 full- and part-time students training in 55 different programs to boost their earning potential and launch or change their careers. DCTC was founded in 1970 and is located less than 20 miles south of Saint Paul in Rosemount, Minnesota.
