

Mission
Statement

- Provide constructive social settings so students of all backgrounds may share and celebrate their heritage.
- Inform DCTC staff and faculty of the needs and challenges of our multicultural student body.
- Involve and support other student led organizations (PTK, Student Senate, etc.)
- Promote academic success
- Promote multicultural awareness through community involvement and campus-wide discussions and celebrations.

Who Are We?

Who Are We?

MSLA is a student driven organization designed to address Multiculturalism and diversity with the intention of fostering an environment of understanding, acceptance and competence at Dakota County Technical College. MSLA's existence encourages and provides opportunities for DCTC students to explore such issues in an interpersonal setting.

Did you know?

There are over 35 different countries represented within DCTC's students?

In MSLA, we believe it is critical to recognize and celebrate all of our unique attributes and rich histories in order to support a welcoming and educational environment where students can have a sense of belonging.

When are the Meetings?

MSLA meets twice a month in the Student Life Center unless extra planning or work is needed for special events or further discussion over pressing issues.

Why Join MSLA?

- Leadership and Networking opportunities to build your resume.
- Meeting and sharing our culture with fun and interesting individuals from your campus community.
- Attending community events and other off-campus activities.
- Movie Nights
- Field Trips
- Participating in the Annual College Multicultural Celebration and Feast.
