**Subject:** Withdraw deadline extended for the semester

Good afternoon,

This email is to let you know that the system level policy that set the last day for students to withdraw from a course at the 80% point has been extended to the 90% point of the course for spring semester.

This moves the last day to withdraw from full semester courses to May 8th. For courses that are not the full semester, it is still automatically calculating the withdraw date. The last day to withdraw from any course is available in the ADD/DROP/WITHDRAW section of the description on the Course Search.

Students will be able to withdraw through their [e-services portal](#) beginning April 9th. If students would like to withdraw prior to that day, they are able to submit a withdraw form or request to [registration@dctc.edu](mailto:registration@dctc.edu).

Please let me know if you have any questions.

Stay Well,

Jodie Swearingen

Registrar
