Subject: Congratulations

Dear students,

As the spring semester draws to a close, I cannot thank you enough for your flexibility and resilience, especially over the past several weeks. Just thinking about how you rapidly responded to so many changes and challenges is both humbling and awe-inspiring.

This is not what any of us could have imagined for the end of the Spring 2020 semester and the completion of an important time in the lives of our graduating class. Minnesota State's college and university presidents, the Board of Trustees, and I extend our appreciation and support to every one of you, whether you are early on in your educational journey, you are graduating this spring, or are finishing your coursework. You make us proud!

In light of the difficult circumstances you all have overcome, we want to recognize your hard work and perseverance and have joined together in putting together a video tribute to you all below.

Best,
Devinder
